NOT BE JUDGED.**

Breeding groups: the owner of the stallion (or the person appointed to handle the breeding group) must go to the preparation ring, bringing the participation cards of the dogs present in the group.

The identity cards must be handed over to the ring collector official, who will provide the group's overall folder.

Breeding groups: at 12:00 the ring official will deliver the group folder for each breeding group. If the breeders are unable to do so personally, due to participation in the female working phase, they are requested to send a representative to organise the initial arrangement of the group.
